Dear Mr. Wisler,

I would like to take the opportunity to recommend Minuta Architecture, PLLC to QuikChek. I feel Mr. Minuta would be a good fit for your organization as Joe has experience in the petroleum field and has exhibited his ability for diverse projects.

Over the last year we have had the opportunity to work with Minuta Architecture, PLLC on the ShopRite Plaza project here in Kingston. Joseph Minuta has assembled a well rounded team that acts in concert and expeditiously to accommodate the needs of the Town, the owner of the project as well as the tenants

Joseph's firm representing the owner, Centurion Realty has proven to be detailed oriented, experienced with all aspects of the project with exemplary performance exhibited through out their facilitation of the Planning Board review and approvals process.

I have witnessed first hand the professional care they bring to all aspects of this project. Their communications and coordination has created a seamlessness rarely seen.

Respectfully,

Mary Secreto
Planning Secretary
